Must present coupon to receive discount

What Is It? Developed by a veterinarian, and accepted by the AKC and the ASPCA the AVID® Microchip™ is the professional way to identify your pet and it's proven safe and effective. It is a tiny computer chip which contains a personal, one-of-a-kind identification number that distinguishes your pet as a special member of your family. This inexpensive procedure can be done anytime in minutes.

Get Your Peace Of Mind Today! As an official AVID microchip scanning facility we can provide this technology to you today and give you instant peace of mind. If your pet escapes any participating vet or shelter can scan your pet and immediately notify AVID on their 24 hour hotline. If you have registered your dog or cat in AVID's PETtrac program, then they will contact you directly. Otherwise, our office will be notified by AVID, and we will contact you regarding your lost pet.

Hours of Operation: Monday through Friday 11:00 am to 5:00 pm
Saturday 11:00 am to 3:00 pm
Closed Sundays

Shelter Location: 73303 8th Avenue
